

WAYS MY HANDS HELP AND SERVE

Use this craft to remember one of the purposes God made us for: to serve others. Your child will create this mobile to remind them of ways they can help and serve others. They can hang it somewhere to remember that God made them to serve, so they can help people have what they need and know they are loved by God.

DIRECTIONS

PREP

1. Print out the Help and Serve printable.
Option: Create your own design using the printable as a guide.

DO

1. Give your child the Help and Serve printable.
2. Allow them to color it. While they color, read what it says.
3. Ask your child to think of ways they can serve and help people.
4. Trace your child's hand on paper 3-5 times.
5. Help your child cut out the printable and their paper hands!
6. Help your child write down the ideas you came up with together on their paper hands and decorate them.
7. Cut string and tape it to the printable on one end and the hand on the other, so it hangs below. Repeat for each hand.
8. Cut another piece of string about 6 inches. Tape each end to the top of the printable, creating a loop to can hang the craft.
